Subject: AK projects call

Hi All-

I will be missing the call today since it conflicts with the AEMA conference and some presentations that are relevant to our work. Below is a brief update on Alaska mining sector issues.

Pebble – EPA has not sent out our comment letter on the Final EIS; last week the Corps denied the 404 permit; PLP has announced that they will appeal the Corps' decision

Sorry to miss the call. Let me know if you have any questions about the above report outs.

Best Regards

Patty
